

UNITED STATES BANKRUPTCY COURT
FOR THE MIDDLE DISTRICT OF TENNESSEE

**REVISED NOTICE
REGARDING CHANGES IN FILING FEES**

On April 21, 2005, the Clerk sent an e-mail to registered ECF users and posted a notice on the Court website regarding the statutory fee increase effective upon the signing of the recent Bankruptcy legislation. As explained in that e-mail, the bill included technical errors making it impossible for the Clerk to properly distribute the fee among the various government accounts.

The Clerk has been advised by the Administrative Office of the United States Courts that a technical correction is contained in an Appropriations Bill that purports to delay the implementation of the new fee schedule. Consequently, the Clerk's Office will continue to collect filing fees at the **pre-April 21** posted rates:

Chapter 7	\$155.00 Statutory Fee
	39.00 Administrative Fee
	<u>15.00 Trustee Fee</u>
	\$209.00 Total Fee
 Chapter 13	 \$155.00 Statutory Fee
	<u>39.00 Administrative Fee</u>
	\$194.00 Total Fee
 Chapter 12	 (unchanged \$239.00 Total Fee)
 Chapter 11	 \$800.00 Statutory Fee
	<u>39.00 Administrative Fee</u>
	\$839.00 Total Fee

The Chapter 13 Trustee will continue to account for filing fees in the amount of \$194.00. Any Chapter 13 case filed on or after April 21, 2005, that included provisions for the filing fee to be paid through the plan will be included at a rate of \$194.00.

We will continue to provide regular updates on the status of the filing fees as the information is made available to us.

Date: April 27, 2005
